

NTSIMBINTLE MOURNS THE PASSING OF DAVID BROWN

It is with immense sadness that we share the news of the sudden passing of Ntsimbintle Holdings' non-executive director David Brown. A mining industry stalwart, David had a way of winning people over, he was always positive and often visionary.

David joined the Ntsimbintle Holdings board in November 2019 and was chairman of the Audit and Risk Committee. He was also a member of the Safika Resources Remuneration Committee.

"We are incredibly saddened to hear of David's untimely death. It was a great privilege to have worked with him. David was known and respected for the depth of his mining knowledge and for his achievements in championing people as the heart of the industry. He showed exceptional leadership in all his roles. He will be sorely missed," said Saki Macozoma

The Ntsimbintle Holdings Board and executive team extend their sincerest sympathy to his family and friends during this difficult time.
